We did

Improve the green areas in Oldfield Park

We are working with Grounds Maintenance to look at potential options for improving communal green areas.

Re-purpose area off Elm Grove that is being used for fly tipping

The area will be cleared and garden boundaries re-instated on the three properties on Elm Grove this land belongs to.

Update signage in Oldfield Park

A full signage audit has been carried out with a detailed list of replacements and new signage required to update our branding.

Work closer with local groups/charities

Relationships built with Westbury Community Project and a number of groups and charities who are located in their premises, including the community fridge.

Stakeholder & partnership mapping

A meeting was arranged with Team 10, an after school club who will collaborate with Selwood Housing on an ongoing basis to carry out litter picks and other activities that will benefit the area.

Clear rubbish in gardens

Two action days were arranged to help residents who were unable to dispose of bulky items. 20 households were helped over two days.

Keep sheltered housing residents updated

Xmas mince pie & coffee mornings were arranged at Bell Orchard, Westbury and Lyes Grove, Dilton Marsh. The project team were on hand to chat with the residents.
